Dear Prospective Applicant,

In an effort to help you understand the manner in which we evaluate your qualifications to become a resident and to assist you in determining for yourself whether you qualify prior to submitting an Application for Residency, the following are the company's basic policies.

It is the policy that any person of legal age has the right to submit an Application for Residency. Each application will be evaluated in a fair and uniform manner based on credit worthiness, including but not limited to income stability, rental history and credit history. Applicants who successfully meet the foregoing criteria must pass a criminal background check. All applicants are reviewed without regard to race, color, sex, religion, national origin, handicap or martial status.

INCOME Income can usually be verified over the phone with your employer. If your employer is unwilling to verify your income you must have your employer sign an "Income Verification" form. If you are self-employed a signed copy of your federal income tax return for the previous year and/or quarter will be required. If your income is from social security, pensions, alimony, etc...written verification of the monthly amount you receive will be required.

RENTAL HISTORY Rental history can usually be verified over the phone with your landlord(s). If your landlord(s) is unwilling to provide the details of your tenancy, you must have your landlord sign a "Landlord Reference" form.

CREDIT & CRIMINAL HISTORY Your signature on the Application for Residency allows us to obtain your credit history and criminal background check where available to us under the Fair Credit Reporting Act or other applicable laws. A history of meeting payments as required on your credit obligations will receive favorable consideration. If your credit history reflects a pattern of slow payments, collection accounts, write offs or indicates housing suits or judgements for non-payment of rent you will not receive favorable consideration. A lack of credit history does not necessarily result in unfavorable consideration.

We consider your basic monthly housing expense to be the sum of the total monthly rent and the monthly loan payment on your manufactured home. As a guideline, the basic monthly housing expense should be from twenty-eight to thirty percent (28-30%) or less of your gross monthly income. Other housing expenses and outstanding debt may have an impact on your ability to meet the basic monthly housing expense.

Your Application for Residency must be submitted to the Central Office at the above address along with a \$35.00 per adult non-refundable processing fee, and a copy of your social security card and picture of your drivers license as proof of identification.

ONLY COMPLETED APPLICATIONS WITH YOUR SIGNATURE WILL BE ACCEPTED.

We hope that the foregoing description of our basic policies has helped you in evaluating your qualifications to become a resident.
