ranch – 24x44

all dealers invited

“We follow Dad’s instructions to make our community the finest in the area. All of the neighbors take such good care of their homes and everyone really is so nice. Some of the residents have made their homes on Madge Drive for many years, and recently we have had a number of new neighbors bringing in the latest models of beautiful new homes as well.” - Audrey Doerr, daughter of the developer and long time Co-Manager
